ShopWithScrip has hundreds of different retail brands, so the order page organizes products by category. Some categories may have several pages of selections. To find a product, jump to the appropriate section, or enter all or part of the retailer name in the search box. You can also download a complete list of all products as a handy reference.

Select items and quantities on the worksheet, and press the "add to cart" button to add them to your shopping cart. Click the "check out" button when you have completed your selections. Select Presto Pay as your payment choice. Review your order, and press the "finish" button to submit your order.
