

The online family payment service at ShopWithScrip.com

Presto-Pay™ is a convenient way for your family to pay your organization on-line at the time you place your order. GLSC will accept the payment on behalf of your non-profit organization.

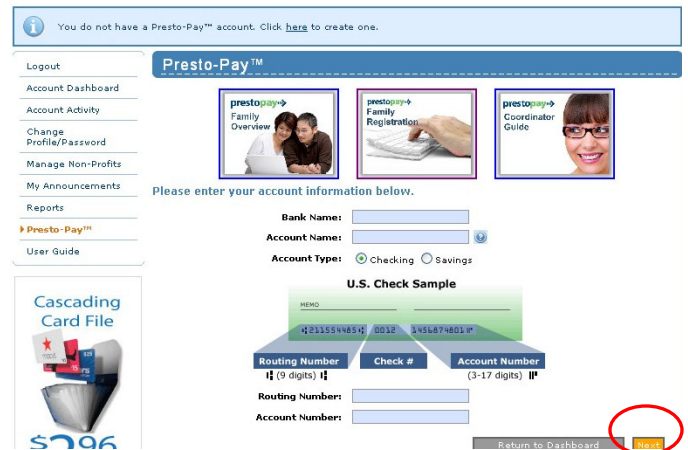

GLSC will immediately debit your checking account for the face value amount of your order, plus a small convenience fee of \$0.39, and hold that payment until your non-profit's order has been released by your coordinator.

Once your organization has enabled you to use this feature, you will notice a message like the one on the left. Simply click on the link to begin the enrollment process.

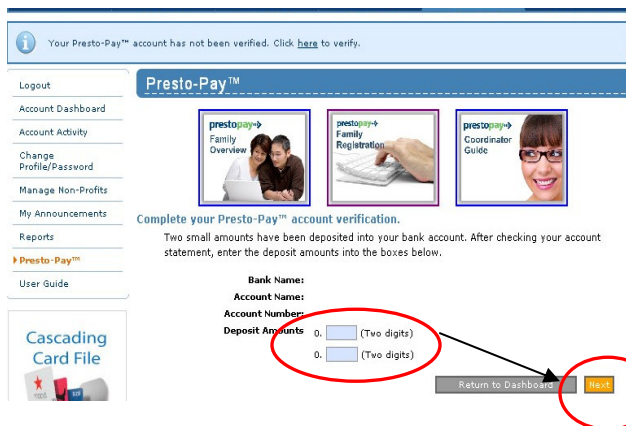

Carefully read the terms and conditions for Presto-Pay and select "Yes, and I Agree."

On the registration page (shown at right), enter all of the required banking information and click "Next" to submit.

At this point, you will need to wait for GLSC to verify the account. This process typically takes one to two business days, but some banks may need a few more. You can still place your order, but must pay by check until your account is completely verified.

During the next few days, watch for two small deposits of money to be made IN to the account you have designated. Take note of both amounts and return to your Account Dashboard on ShopWithScrip.com.

Notice the message at the top of your screen, "Your Presto-Pay Account has not been verified. Click here to verify."

To continue the verification process, enter the amounts supplied by your bank as deposited by GLSC, and click "Next" to complete the enrollment process.

You are now ready to Presto-Pay!
