

# ShopWithScrip™ and PrestoPay™

## Why This Is Safe

Great Lakes Scrip Center has been successfully and accurately debiting our organization customer's accounts via the banking industry's Automated Clearing House (ACH) process for the past 14 years. Today over 90% of our organization customers elect to utilize this proven payment method.

We have worked very closely with our bank to assure the security of data transmission between our computer systems and theirs. All transmissions are via secure data links, and the data is encrypted before sending. All data you enter on our site is also transmitted via secure data links.

Furthermore, GLSC has invested in the latest computer network security protocols, as defined by the Payment Card Industry (PCI).

Your data is safe with us.
