Dear Pastor,

The above named family has listed that they are registered and active members at your parish. The policy of the Archdiocese of Hartford states that the Catholic Parishes in the Archdiocese will pay to the school an assessment of $250.00 for each student whose parent/guardian is actually registered, actively participating in, and supporting the parish through the envelope system. By signing this parish confirmation form you are agreeing to abide by this policy. ***If your parish includes a school, this assessment will not be billed.*** *Thank you.*
